1- Reading

(10 marks)

Read the following text then answer the questions:

Body language tells much when we communicate. Men often shake hands and women sometimes do too. In the UK, men don't often shake hands when they meet friends, but they always do when they meet new people. These days, COVID19 has changed the way we greet people. In some countries, people don't usually touch and they can be upset if you touch them. In those countries, people often bow or nod when they meet new people. Folding your arms will make you look bored. A smile is always very important. It's the best way to say hello in any language!
