Guess what happened at the park yesterday. Mike, Nadia and I were on our bikes and we all crashed into each other. We hurt ourselves quite badly, and the bikes weren't great, either. My bike wasn't so bad, and I can still ride it. But theirs were much worse. Nadia has gone to the bike shop, and she won't get it back for a week. And poor Mike! His bike was really bad. He may have to throw it away!
